Hiring Team

Oracle Corporation

OPI Internship Program

Dear Hiring Team,

I am excited to apply for the Research Assistant—OIP 2025 Summer Internship position at Oracle. As a Software Engineering student at ENSET Mohammedia, I am eager to contribute to your team and be part of a leading organization in hardware and software systems innovation. My strong foundation in Java programming, experience in full-stack development, and passion for exploring cutting-edge technologies make me a compelling candidate for this opportunity.

Throughout my academic and professional journey, I have gained hands-on experience building innovative and scalable solutions that align with Oracle's backend development focus areas.

Contributing my skills to Oracle OPI's mission and participating in its innovative projects aligns perfectly with my career aspirations. My technical expertise and passion for software engineering give me confidence in my ability to excel in this role. I would greatly appreciate discussing my qualifications further in an interview. Thank you for considering my application, and I look forward to contributing to your esteemed team.

Sincerely,

Soufiane ELBOUBKARI
